Welcome to this week's newsletter.

We hope you all had a lovely Easter holiday and are glad to be back for the summer term.

Reading Challenge

Average number of times pupils have read. Target is 5 times per week.

	Last half term
Reception	2.1
Year 1 PM	3.3
Year 1 ML	1.8
Year 2	2
Year 3	2.3
Year 4	2.6
Year 5	1.8
Year 6	2.9
Average	2.4

We will be continuing with our reading challenge this term, as week by week, more pupils are reading more frequently.

The pupils who are reading five times per week are making better progress than those who don't read very often. Please support your child to be a fluent reader as it exposes them to far more vocabulary than can be gained through conversations or watching television. Being a good reader helps them to be a better learner in all subjects of the curriculum.

Learning Conversations

Please talk to your child about what they are doing well at in school and what they feel they need to practise more during the last term in their current year group. They can then talk to their teacher about this later in the week.

Ready for Summer

Please help your child to be 'Summer Ready' by making sure they have the right sort of coat and uniform for the weather, including sunhats and on hot days, are wearing sunscreen. Shady areas will be available to pupils if we are lucky enough to get hot sunny weather. Please make sure everything is named so that any cardigans or jumpers that are removed can be returned to the right person.
