Further details on individual events to follow.

WALK and TALK

As you are aware the playground is a busy place first thing and we therefore introduced the 'Walk and Talk' rule. Please help us to enforce this rule whilst you are on the playground with your child(ren). We have found that our pupils are ready to start work in the morning when they arrive at school on time and have had time to chat with their friends in a calm atmosphere. The safety rules apply to the children at all times - ie no climbing on the walls or railings, and no running in the playground during 'Walk and Talk'.

BREAKING NEWS!

<http://www.newbolsover.derbyshire.sch.uk/>

Over the last few weeks we have been working hard to develop our brand new website. We are still developing some areas and we hope you will have a look at it and find it useful and interesting. It is much easier for us to update, so add it to your favourites as we will be updating it regularly. The pages which will be updated most frequently are:

- the home page, in particular the calendar.
- Attendance- which can be found in the Key Information tab.
- Children's work in the Pupil tab.

HEAD LICE We ask you to check your child's hair at least twice a week. On detecting head lice parents should inform school and children in the same class will be reminded to check their hair. Members of staff, who become aware of crawling lice in a child's hair, will make every effort to contact parents and send the child home for treatment. Children with longer hair should have their hair tied back to help prevent the spread of head lice. We do remind classes and teams periodically with a letter home to all parents. Further advice can be found at:

<http://www.nhs.uk/conditions/Head-lice/Pages/Introduction.aspx>
