Black History Month Assembly

On Friday 18th October, we had an excellent assembly in recognition of Black History month delivered by Lud Ramsey on behalf of Chesterfield Football Club.

Lud is also the chairman of the Chesterfield African Caribbean Community Association and talked to the children about how, when and why black people first came to Britain after the second world war and the issues and opportunities this created. The children asked interesting questions such as: What is racism? Why are some people racist? Why did your parents come to England by boat instead of aeroplane? Do you have any siblings?

Lud shared experiences from his life, including his jobs in the RAF and as the first ever black fire fighter in Hampshire.

He also inspired pupils with his collection of medals for competing for England in the Police and Fire Service Games in China and Australia.

The children also enjoyed watching footage of when he appeared as a winning contestant on Gladiators many years ago.

The assembly was very inspiring, and as always, the pupils were a credit to the school with the behaviour and respect shown.

Does your child have a mobile, tablet, or access to one? Make sure you keep up-to-date with APPS. Some parents have found this useful:
