

Welcome to this week's digital newsletter. Many Y4 and some Y5 pupils are at Whitehall this week. We hope they have a great time!

## Coronavirus

As you will have heard, one of the ways in which the Government may choose to tackle Coronavirus in the coming weeks is by closing schools. We do not know when or if this will happen but we have planned how we would be able to continue learning outside of school.

Should this happen, we will let you know through the ParentHub app

<https://portal.parenthub.co.uk/login>

and via a letter home. See page 2 for a reminder of the guidance we are following in school. Thank you.

## Attendance

Well done to Year 6 who had good attendance again last week.

## Freedom Project

The Freedom Project have asked for donations of non-perishable goods, such as tinned and dried food, tea and coffee. If you can help with this, please send items into school and we will pass them on to the Freedom Project. If you need support with food items yourself, the contact details are: Bolsover Methodist Church Hill Top, S44 6NN, 01246 241457. Opening: 9am-5pm Mon-Fri. Website: fcgroup.org.uk Thank you.

## Did you read 5 times last week?

During the weeks leading up to Easter, pupils who read 5 times each week will get a raffle ticket to put into an Easter Egg prize draw! Keep reading!

# Advice on the coronavirus for places of education

## How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

## How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

## How can you stop coronaviruses spreading?

### If you need to cough or sneeze

Catch it  
with a tissue

Bin it

Kill it  
by washing  
your hands with  
soap & water or  
hand sanitiser

### You should wash hands with soap & water or hand sanitiser

After breaks  
& sport  
activities

Before  
cooking  
& eating

On arrival at  
any childcare  
or educational  
setting

After using  
the toilet

Before  
leaving  
home

Try not to touch your  
eyes, nose, and mouth  
with unwashed hands

Do not share items that come  
into contact with your mouth  
such as cups & bottles

If unwell do not share items  
such as bedding, dishes,  
pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: [campaignresources.phe.gov.uk/schools](https://campaignresources.phe.gov.uk/schools)

## What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings [gov.uk/government/publications/guidance-to-educational-settings-about-covid-19](https://gov.uk/government/publications/guidance-to-educational-settings-about-covid-19). Parents can visit **NHS.UK** to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Iran, specific lockdown areas in northern Italy, special care zones in South Korea or Hubei province China (returned in the past 14 days) should self isolate, and NOT attend education or work for 14 days.

See **NHS.UK** for advice on coronavirus.

**If there is an emergency, call 999 immediately**

### People shocked to discover how much sugar is in a Cadbury Creme Egg

With Easter just around the corner it might surprise you to know that just one little Creme egg is almost your entire daily allowance of sugar.

HEALTH & WELLBEING

One Creme egg contains 26.4 grams of sugar - that's a whopping 6.6 teaspoons!

(a) How many grams of sugar are in a teaspoon?

The NHS says that anyone over the age of 11 should limit their daily sugar intake to 7.5 teaspoons.

(b) How many grams of sugar should anyone over the age of 11 consume per day?

### Student sent home from school for charging classmates to use hand wash

A student was sent home from school On Wednesday after he charged his classmates 50p for a squirt of hand wash.

The student picked up a £1.40 tub of Johnson's child hand wash from a Tesco store before waiting on the school bus and charging his fellow students to use it.

The enterprise earned him a £7.60 profit, however, he was subsequently sent home for breaching school rules.

How many squirts of hand wash did he provide before he was sent home?

# Bee Values

Each week in class, pupils are recognised for demonstrating the Bee Values. We celebrate this in Assembly each week, and share with you some of the reasons. Children who are awarded will have their name on the

## Be the best you can be tree

for the week and will come home with a special sticker and certificate so you know when they have achieved one of the values and can ask them why.

Bee Values	Reasons for earning them
<b>Happy Bee</b> 	<p>Constant positive attitude.</p> <p>Always showing an adult their achievements.</p> <p>Doing really well with spelling– and very pleased with this.</p> <p>Being positive and getting on with their work.</p> <p>Really pleased with themselves when they produced some really good writing to the Year 2 standard.</p> <p>Being super positive about Maths!</p>
<b>Brave Bee</b> 	<p>Beginning to share more examples of their work, especially in reasoning.</p> <p>For having a go even if it was difficult.</p> <p>Tried really hard with writing, even though they aren't as confident in this area.</p> <p>Being brave when they hurt themselves.</p> <p>Worked extremely hard to produce some good, neat handwriting.</p> <p>Being honest and ignoring distractions to produce some super writing.</p>
<b>Bee-long</b> 	<p>Being a helpful and patient partner.</p> <p>Helping others complete challenges.</p> <p>Always sociable and gets on with everyone else.</p> <p>Enthusiastic mini-leading.</p> <p>Showed true NBP spirit and helped other children, and also showed resilience when completing hard work.</p> <p>Drawing a great picture and sharing fantastic vocabulary.</p>
<b>Busy Bee</b> 	<p>Working hard on Maths reasoning to reach full marks!</p> <p>Setting their own challenges in self-select time.</p> <p>Worked really hard on their writing.</p> <p>Getting straight back into work after being ill.</p> <p>Worked independently to produce a fantastic piece of writing.</p> <p>Always helping and being a role model.</p>
<b>Body Bee</b> 	<p>Good sportsmanship in basketball.</p> <p>Sitting nicely on the carpet and joining in with class discussions.</p> <p>Managing their body well all term in the dining room.</p> <p>Giving people space and not reacting negatively.</p> <p>Worked extremely hard to improve letter and number formation.</p> <p>Writing a fabulous letter from the Crayons to Year 3.</p>

**Talking Time** Vocabulary development is very important. By the age of 2 and a half, children should be speaking in simple sentences and by the age of 6, children should know 14,000 words!

Conversations and reading help develop vocabulary much more extensively than watching TV or being on computers. Please use the words in the stars and ask them what new words they have learnt each day and what they mean.

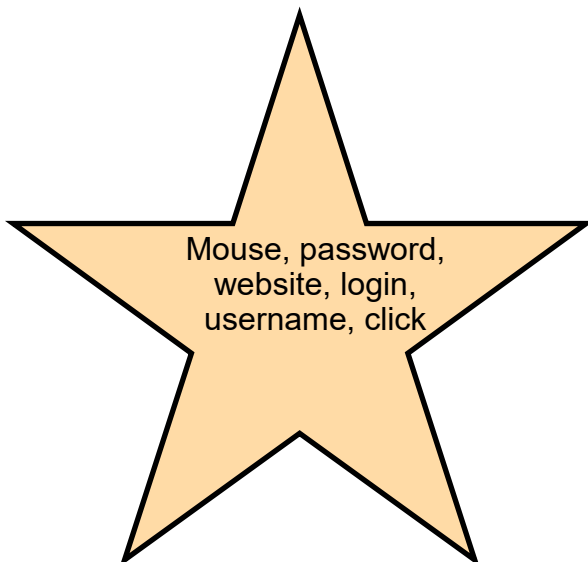

## Nursery

We will be finding out more about Ireland and St Patrick. Our colour this week is black. Can you encourage your child to look for and notice the colour grey in their home.

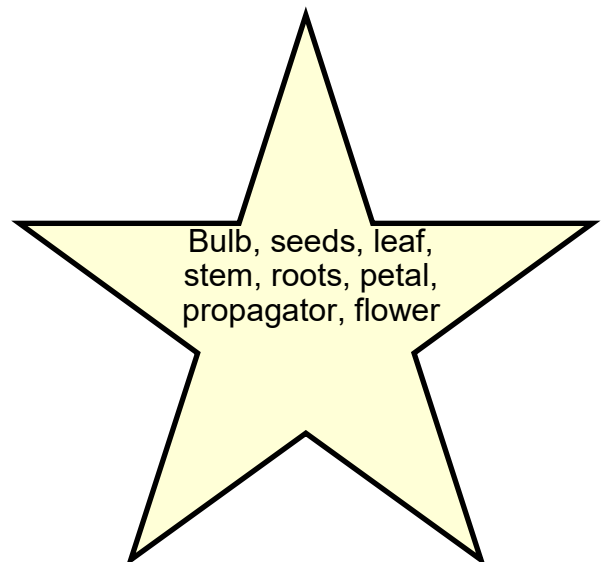

## Reception

Last week our dragon egg hatched. Ask your child about what happened. Where do you think the dragon is now? What do you think it is doing?

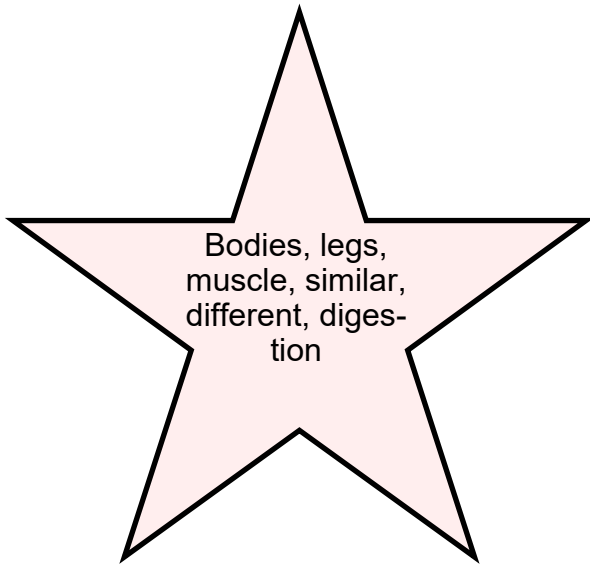

## Year 1

Have a go at logging into Purple Mash with your password. Find a 'to do' to complete and explore the games available.

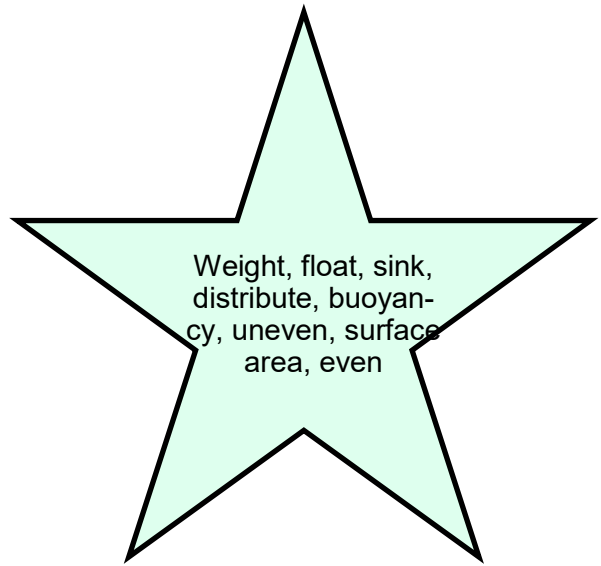

## Year 2

We are investigating seeds and bulbs and have planted some. We have talked about what they need in order to grow. Please discuss this.

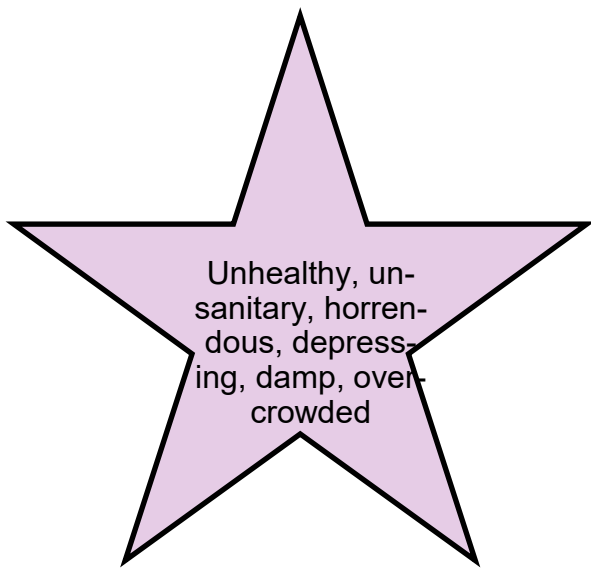

### **Year 3**

During Science Week we looked at our bodies and how they're similar and different. Compare your body with someone else at home.

### **Year 4**

For Science week we designed boats using squared paper and tested them to see how much weight they could hold. Have a go at designing and testing a boat at home and discuss your results.

### **Year 5**

What was it like to be a Victorian prisoner?

### **Year 6**

We will be exploring how the circulatory system works. Can you recall which organs are involved in this? What are their jobs?

# Calendar Overview

Below is an overview of events taking place this half term. This will be added to each week if new events are created. Dates further ahead are available on the calendar on the school website.
