## Please help

Now we are out of lockdown and into Tier 3 restrictions, please continue to follow the rules and expectations that are in place. We have been more fortunate than some schools in terms of bubble closures and the impact of absence due to Covid 19. Thank you for your contribution towards keeping everyone safe.

I'm sure everyone wants Christmas to be as good as it can be given the circumstances. If there are further bubble closures in the run up to Christmas, this could mean that members of your household have to self-isolate during the holidays. This would mean not going out and not having any visitors to your home at any point for 14 days. Please consider this and do your bit to reduce the chances of this happening in the final fortnight before we break up. Click on the link from the school website home page if you need to find out what the tier 3 restrictions are:

Thank you.

## Dressing for the weather

As the weather is set to get colder, please make sure children are wearing a warm coat to school and sensible, flat shoes with good grip.

We have reviewed several risk assessments this week. We need to balance the requirements for increased ventilation with keeping safe and warm enough. Some windows and internal doors will remain open during the day. External doors will be closed when not in use.

For the final two weeks of term, pupils can wear an additional jumper or cardigan to ensure they keep warm enough if they want or need to. These can include Christmas jumpers, but not hoodies, as these present risks of their own.

## Snow Plan

We have sent out the Snow Plan on ParentHub today. This could be implemented this winter if there is disruptive snowfall. It can also be found on the website here: [New Bolsover Primary School - Parents Information](#)
