

Welcome to this week's digital newsletter. It's been great to give out so many reading awards recently, for the pupils who have read 50 times since the challenge started. There's still time left for others to get there!

Please ensure you supervise your children on the school site before school and once you have collected them at home time. Children should not be climbing up the grass banks between the yards. Thank you.

### Attendance

Pupil attendance is expected to be at least 96% across the year.  
Whole school attendance this week was 94.3%

# Big Bee Challenge Competition- Radio 2

If you are between the ages of 6 and 12, we (Radio 2) want you to design a bright, buzzy garden that will attract bees and other pollinating insects. The winner's design will be built by the RHS at an NHS Trust site which is used by children and young people with mental health needs.

The lucky winner will be invited to open the garden at an outside broadcast of [The Zoe Ball Breakfast Show](#) on Friday 20 August 2021! You will meet loads of guests, receive a professional illustration of your garden design and go home with a box of goodies to help turn your own outside space into a wonderland for bees.

Each shortlisted finalist will also receive an array of bee themed goodies.

## Parent/Carer Workshop on Transitions: Supporting Children and Young People Through Change.

For Parents/Carers of Children and Young People  
aged between 4-17 years.

**Tuesday 29<sup>th</sup> June 2021 – 18:00 – 19:00**

Fully funded by NHS Derby and Derbyshire CCG and delivered by:  
**Mental Health Support Team Trainers: Tanya Huff, Phoebe Turton, Molly  
Lewin-Runacres & Hayley Spies.**

Workshop for parents/carers supporting children and young people (aged between 4 and 17 years) transitioning between year groups and schools.

This includes starting school, transitioning to secondary, and moving onto further post 16 education (college).

The workshop will focus on three areas:

1. Understanding emotions associated with change.
2. The positives of change.
3. Strategies to support transitions.

### Intended Outcomes:

- To reflect on the thoughts, feelings and emotions associated with transitions and changes.
- Identify strategies to support children and young people during transitions and changes.

Course fee £0.00

This course is hosted online via **MS Teams**. To join the session, [Click here for the Parents/Carers Workshop on Transitions](#)

## Head Lice

There have been some cases of head lice in school. The NHS offer good advice to support the treatment of head lice, which can be found at

[Head lice and nits - NHS \(www.nhs.uk\)](http://www.nhs.uk)

The key messages are:

1. Check everyone in the household and treat anyone who has them.
2. Lice & nits can be removed by wet combing- after shampooing the hair with normal shampoo, apply lots of conditioner (any will do) and comb through with a 'nit comb' which can be bought cheaply at pharmacies. This can take up to 30 minutes to do completely.
3. **You need to complete step 2 on day 1, 5, 9 and 13.** Check everyone affected again on **day 17**. This is because the head lice have a life cycle of this length of time. You need to ensure you are removing live lice as they hatch, and before they get chance to lay new eggs.
4. After 17 days, if the headlice are still present seek advice from a pharmacist to get specialised products. These are expensive and can irritate the scalp so it's important to go through step 2 thoroughly, following the time scale.

**You cannot prevent head lice but you can stop them spreading by combing regularly to catch them early.**

## Book Fair

The book fair ends on Sunday 27<sup>th</sup> June. If you use the code NBP21 all books will be £2.50 each and there will be no delivery charge. Books purchased will be delivered to school and distributed from here.
