Welcome to this week's digital newsletter. You will be aware that cases of Covid nationally are increasing which is affecting the operation of many schools across the country. Please continue to follow national guidance- if anyone in the household has symptoms they must get a test and all members of the household must isolate until a negative test result is confirmed. Remember the measures we have put in place on the school site:

- send pupils onto the site independently in the morning if possible (depending on age),
- ensure they bring a water bottle, reading book and record but nothing else (toys should not be brought to school),
- limit to one adult per family on site and maintain social distancing,
- wear a mask if you need to enter the main entrance to visit reception,
- request an appointment if you wish to speak to a member of staff.

Thank you to the parents who arrive early and ensure they supervise their children until the doors open, and for making sure children keep the main entrance and gateways clear.

So far, compared to some schools, the number of cases at school has been low. Thank you for your continued efforts to maintain safety for everyone.

Attendance

Pupil attendance is expected to be at least 96% across the year.

Whole school attendance this week was 91.3%

	Mon	Tue	Wed	Thur	Fri
%	91.7	92.3	89.5	92.8	89.4
No. Lates	7	4	7	5	3

Well done to Mr McDonnell's class for good attendance this week.
