Welcome to this week's digital newsletter. We have a new poem to learn over the next week and it may come in useful in the holiday if you are doing something for Halloween. We'd love to display some creative work on our poetry board in school. See page 2 for more details.

Safeguarding

Are your contact details up to date? If you change your address, phone number or email address, please inform us straight away. Thank you.

Thank you to everyone who has already signed up for this. We have collected 650 tokens so far.

How does it work?

Once you're registered to the scheme anyone can take part in collecting **Grow Tokens** for your school.

Between 6th September and 24th October 2021 all they need to do is download the MyMorrisons app or visit the website, head to the It's Good To Grow section and select your school to donate their **Grow Tokens** to.

They will get one **Grow Token** for every £10 spent in store or online and can donate these straight to you via the app or website.

After the collection period ends you'll be able to redeem your **Grow Tokens** against a wide range of gardening equipment for school.

Halloween is when:

The winds go whoosh and the doors go bang.

The walls go creak and the clocks go tock.

The rats go squeak and the bats go flap.

The skeletons rattle and the ghosts go boo.

Make Spell Soup

You take some (*please add in here your own list of ingredients*):

You pop them in the pot,

You add a lot of water

And you make it nice and hot,

Then you serve it in a skull

With a claw or a scoop,

That's how you make this spell soup!

Don't be so suspicious,

It really is delicious,

And it's so nutritious,

Don't forget to eat it all up.
